Health Savings Account (HSA)

An HSA is a health savings account set up exclusively for paying the qualified medical expenses of the account beneficiary, spouse, or dependents. It is a type of account that lets employees set aside money on a pre-tax basis to pay for qualified medical expenses. This is accomplished by setting up deductions on the employee's checks that route to their HSA account set up by the provider. Auris Payroll can deposit employee and employer contributions directly into the Health Savings Account.

Complete this form in its entirety and provide it to your employer to give to Auris Payroll Solutions, LLC.

Employer Contribution* If reporting lump sum, report this amount with payroll. For example an Employer that contributes \$500 Semi-Annually, report the lump sum with the payroll in which it should be deposited. Check out the [IRS website](#) for HSA details. We recommend reviewing the Annual Limit before each upcoming year.
